Note to Applicants: Media covering the Bishops' meetings should be aware that there is a system in place for requesting interviews with a bishop. It involves submitting the request through staff of the Communication Department stationed outside the meeting room door. Please do not approach the Bishops during coffee breaks, since many Bishops often use this time for committee business. There will be locations provided for TV, radio and print interviews. All credentialed media are required to abide by regulations of the hotel or risk losing their credentials. Also please note that tables in the press room are only for those materials originating from the Bishops' Conference. Any other materials that are placed there will be removed.

Upon registration, please be prepared to present a press card.

Please return this form no later than November 4, 2011.
